Nano Dimension Ltd. also announced today selected preliminary unaudited estimates of financial results for the full year and fourth quarter of 2017. The anticipated results presented in this release are based on preliminary financial data and are subject to change until the year-end financial reporting and audit process is complete.

### **2017 Preliminary Estimates of Financial Results**

- The company expects to report estimated total revenues of approximately \$861,000 (NIS 2,984,000) for fiscal year 2017. Total revenues for the fourth quarter of 2017 are estimated to be approximately \$440,000 (NIS 1,525,000), compared to \$143,000 (NIS 506,000) in the third quarter of 2017 and \$46,000 (NIS 175,000) in the fourth quarter of 2016.
- As a part of its preparations and actual commencement of commercial shipments of its new DragonFly 2020 Pro during 2017, the company increased its work in progress and finished goods inventory and ended the year with combined inventory of more than \$2 Million. The company expects this inventory to convert to revenue in the ordinary course during the coming periods.
- The Company ended the fourth quarter of 2017 with \$6,103,000 (NIS 21,159,000) of available cash on hand.

### **About Nano Dimension Ltd.**

Nano Dimension (TASE: NNDM, NASDAQ: NNDM) is a leading additive manufacturing company that is disrupting, reshaping, and defining the future of how electronics are made. With its unique 3D printing technologies, Nano Dimension is targeting the growing demand for electronic devices that require increasingly sophisticated features and rely on printed circuit boards (PCBs). Demand for circuitry, including PCBs - which are the heart of every electronic device - covers a diverse range of industries, including consumer electronics, medical devices, defense, aerospace, automotive, IoT and telecom. These sectors can all benefit greatly from Nano Dimension's 3D printed electronics solutions for rapid prototyping and short-run manufacturing. ### **Forward Looking Statements**

This press release contains forward-looking statements within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995 and other Federal securities laws. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates" and similar expressions or variations of such words are intended to identify forward-looking statements. Because such statements deal with future events and are based on Nano Dimension's current expectations, they are subject to various risks and uncertainties and actual results, performance or achievements of Nano Dimension could differ materially from those described in or implied by the statements in this press release. For example, we are using forward-looking statements when we discuss preliminary unaudited estimates of financial results. Though these preliminary results are what we currently expect to report as part of our final results, they may change as we complete our year-end process and audit. The forward-looking statements contained or implied in this press release are subject to other risks and uncertainties, including those discussed under the heading "Risk Factors" in Nano Dimension's Annual Report on Form 20-F filed with the Securities and Exchange Commission ("SEC") on March 7, 2017, and in any subsequent filings with the SEC. Except as otherwise required by law, Nano Dimension undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
