

Nano Dimension Regains Compliance with Nasdaq Minimum Bid Price Requirement

NESS ZIONA, Israel, November 6, 2019 – Nano Dimension Ltd., a leading additive electronics provider for electronics (NASDAQ, TASE: NNDM), announced today that it has received notification from the Listing Qualifications Department of The Nasdaq Stock Market (“Nasdaq”) that it has regained compliance with Nasdaq Listing Rule 5550(a)(2), which concerns minimum bid price listing requirements. As previously announced, Nano Dimension had been notified by Nasdaq that its American Depositary Shares (“ADSs”) failed to maintain a minimum bid price of \$1.00 over 30 consecutive business days as required by the Listing Rules of The Nasdaq Stock Market.

On October 22, 2019, Nano Dimension effected a ratio change of its ADSs to ordinary shares from each ADS representing five ordinary shares (1:5) to each ADS representing fifty (50) ordinary shares (1:50), which resulted in a 1 for 10 reverse split on the ADR program, in order to regain compliance with the Nasdaq requirement. On November 5, 2019, Nasdaq provided confirmation to Nano Dimension that for the last 10 consecutive business days, from October 22 to November 4, 2019, the closing bid price of Nano Dimension’s ADSs has been at \$1.00 per share or greater. Accordingly, Nano Dimension has regained compliance with Listing Rule 5550(a)(2) and this matter is now closed.

About Nano Dimension

Nano Dimension (Nasdaq, TASE: NNDM) is a leading electronics provider that is disrupting, reshaping, and defining the future of how cognitive connected products are made. With its unique 3D printing technologies, Nano Dimension is targeting the growing demand for electronic devices that require increasingly sophisticated features. Demand for circuitry, including PCBs - which are the heart of every electronic device - covers a diverse range of industries, including consumer electronics, medical devices, defense, aerospace, automotive, IoT and telecom. These sectors can all benefit greatly from Nano Dimension’s products and services for rapid prototyping and short-run manufacturing. For more information, please visit www.nano-di.com.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995 and other Federal securities laws. Words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimates” and similar expressions or variations of such words are intended to identify forward-looking statements. Because such statements deal with future events and are based on Nano Dimension’s current expectations, they are subject to various risks and uncertainties. Actual results, performance or achievements of Nano Dimension could differ materially from those described in or implied by the statements in this press release. The forward-looking statements contained or implied in this press release are subject to other risks and uncertainties, including those discussed under the heading “Risk Factors” in Nano Dimension’s annual report on Form 20-F filed with the Securities and Exchange Commission (“SEC”) on March 14, 2019, and in any subsequent filings with the SEC. Except as otherwise required by law, Nano Dimension undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events. References and links to websites have been provided as a convenience, and the information contained on such websites is not incorporated by reference into this press release.
